MS. LANDRY'S 女士蘭德里 CHINESE TAKEOUT MENU

This week, we will be doing a lot of independent/ small group activities. All work will go in NEXT SEMESTER'S grade book. Start the semester off right by getting your work done on time and correctly!!

As you finish assignments, bring them to me to check and stamp. We will start each day with a warm-up and group instructions, then you will have time to work independently or with up to two partners. Noise levels must be at a QUIET WORK level!!

SPECIALTIES (EXTRA CREDIT) 專業

Ms. Landry's Chinese Palace has many specialty items. These items should only be sampled once you have tried all the other menu items. They are for extra credit. Enjoy! (there's more on back!)

BUDDHIST MANDALA 佛教的曼陀羅

up to 20RMB (points)

Read and BULLDoG the information on Mandalas, then paste it in your notebook under the Buddhism section. On the right, summarize the page, then cut, paste, and color 1 or all the mandalas provided.

INVENTIONS CODEX 國人的發明法典

up to 100RMB (points)

Create a Chinese Inventions Codex the same way you created a Maya, Aztec or Inca codex. It will not be based on GRAPES as these are all achievements. Each page will need information on one achievement and one colored picture.

APPETIZERS (WARM-UPS) 開胃菜 (熱身賽)

We will do warm-ups at the beginning of class as always. Warm ups this week will “set you up” for independent work time by asking you to complete part of a larger assignment. We will start it together, you will finish it independently or in a small group of 2-3.

MONDAY 星期一

Copy the BULLDog directions onto a piece of notebook paper. Look at the Spread of Buddhism background information (first page of your packet) and BULLDoG the first two paragraphs.

TUESDAY 星期二

Spread of Buddhism Title Page

Buddhism does not have its own chapter. On the left page, paste your Spread of Buddhism Map (there is no chapter preview) and on the right page, write the title “The Spread of Buddhism.” You will add a colored illustration. Cut out and paste in ISN pages in the order on the board.

WEDNESDAY 星期三

Practice writing Chinese brush strokes opposite of the Chinese Script page in your ISN.

THURSDAY 星期四

Read section 18.2 in your textbook. Follow along as Ms. Landry demonstrates how to complete your Reading Notes Chapter 18—Chinese Discoveries & Inventions. We will do the first one together.

FRIDAY 星期五

No warm-up, just a quiet work day.

ENTREES (ASSIGNMENTS) 主菜 (作業)

All assignments will be started in class and class time given to work on them. What is not finished is homework. Get as much done as you can before break. Anything not done will be homework over break and due on the MONDAY we return, January 7th.
